Prep Seniors To Tour Campus, Meet Faculty

About 1000 high school seniors will tour campus tomorrow in the annual Visitation Day, according to Dean of Men Stanley C. Benz, who will supervise the affair.

President John T. Wahlquist will greet the students at 9:30 a.m. in Morris Dailey auditorium, and Dr. O. S. Hubbard, Santa Clara

County superintendent of schools, will preside over the assembly.

Dr. Dwight Bentel, journalism and police division chairman, will explain the curricula and extra-curricula activities here. Members of the Rally committee's public relations group will usher.

High school seniors touring the campus will be from Santa Clara county schools, including San Jose, plus San Leandro high school.

Dean Benz said that the visitation days are held at the request of the high schools, and the college campus tours are part of the regular high school guidance program.

At 10:30 a.m., the high school students will be taken on tours of the State campus by members of the Freshman Class council. During this time, high school counselors and principals will meet with Miss Viola Palmer, admissions officer; Dr. James De Voss, executive dean; and Joe H. West, dean of students, to discuss admission qualifications and problems. Miss Palmer will conduct this meeting.

The visitors will have the opportunity of meeting with department heads at 11:30. They will discuss their problems with the head of the department in which they plan to major.

John Aitken, ASB president, will give a brief address at the closing ceremony at 1 p.m. in Morris Dailey auditorium. The SJS A Cappella choir will sing under the direction of William Erlandson. Sam Yates, freshman camp chairman, will explain the Frosh Camp activities.

Seniors To Meet, Discuss Banquet

Exposition hall at the Santa Clara County Fair Grounds may be chosen as the site for the Senior Banquet at today's Senior Class Council meeting in Room 24 at 3:30 p.m., according to Allen W. Jacobs, class adviser.

Whether to have a formal or informal banquet also will be decided by the council.

Bill Hushaw, Senior class president, will make the final choice for the banquet speaker.

To Discuss Camp

Choice of faculty counselors for Freshmen camp will be discussed by the camp committee tomorrow at 2:45 p.m. in Room 11, according to Sam Yates, student director.

The committee will work through the summer preparing for an expected avalanche of 400 students.

British Educator To Give Address Here Tomorrow

Dr. Kenneth Lindsay, former Minister of Education of Great Britain, has a "vigorous and interesting personality," according to Mrs. Lillian Gray, SJS professor of education.

Dr. Lindsay will speak tomorrow night in the Morris Dailey auditorium at 8 o'clock on American and British education. His speech is entitled "British and American Education: Forward to the Fundamentals."

Mrs. Gray, who has heard him speak before, says that it will be "a cultural and intellectual privilege to have him in our midst."

He is the guest speaker of Kappa Delta Pi, national education honor society here.

Dr. John T. Wahlquist, college president, will introduce him.

Reports state that he is "more understandable to Americans than most British speakers," due to the fact that his British accent is not too apparent.

Frat Presidents Confer with Benz

SJS fraternity presidents will confer with Dean of Men Stanley C. Benz in a special meeting this afternoon in Room 106 at 4 o'clock. Purpose of the meeting, Dean Benz said, will be to discuss the problems of fraternity water fights and other infractions of the law.

A water battle Thursday night in which a number of fraternities were involved and 11 members were taken to police headquarters brought the problem to the attention of the administration.

Dean Benz said the police intend to take regular legal action unless something is done. He added that he believed the fraternities would be willing to cooperate.

To Review Report

Reports of the Accreditation committees will be reviewed by Deans De Voss and Harclerod today at a faculty meeting in the Concert hall of the Music building at 3:30 p.m.

The 1954-55 budget as it relates to the operation of the college and building program will be reported on by President John T. Wahlquist.

Sports Roundup

MUNICIPAL STADIUM — John Oldham pitched a one-hitter in the first game of a twin bill and relieved Doug Boehner in the seventh inning of the second game to lead San Jose State's Varsity baseball team to a 10-0 and 4-2 victory over College of Pacific Saturday. Oldham's first game performance was marred by a single by Dick DeChristofaro in the eighth inning. He struck out 15 while walking six. He entered the second game with two men on base, walked a man and then struck out the side to give him a total of 18 strikeouts for the day. San Jose Frosh beat San Mateo High School 6-5.

FRESNO POOL — Coach Charlie Walker's Spartan swimmers are reported to have won the state college relays in a convincing fashion. As the Spartan Daily went to press no details were available.

STANFORD GOLF COURSE — Ernie George, 19-year-old San Jose Freshman, lost the final round of the Northern California Intercollegiate Golf Tourney to Chuck VanLingle of Stanford 3-2. Don Glass of San Jose won flight three.

Deadline Nears With No Prexy Choice

With the deadline tomorrow at 4 p.m., no applications had been filed for the office of student body president or several other major ASB offices, Stan Croonquist, chief justice of the Student Court, said Friday.

Other positions still to be applied for are corresponding secretary, prosecuting attorney, junior class representative, and male and female senior justices.

Applications received as of Friday show one candidate for ASB vice president; recording secretary, one; treasurer, one; female representative at large, one; male representative at large, three; Senior class representative, one; and Sophomore class representative, one.

Nominating petitions for students whose applications are approved will be available in the Graduate Manager's Office Friday, April 23.

Minimum unit requirements for all positions except those of representatives and justices are 69; Sophomore representative, 25; Junior representative, 69; Senior representative, 114; and justices, 114.

Sophs To Make Final Show Plans

Final details for "Faculty Frolics," the faculty show Friday night, will be discussed today at the Sophomore class meeting, states Class President Don Fletcher.

Marylou Cattich, ways and means committee chairman, will give a report on ways of making money which she has investigated.

At present, the class is about \$12 in the red, states Fletcher.

Board Rejects Pix on ASB Cards

A plan to have all Associated Student Body cards made of plastic and contain an identification photo of the owner was discarded as too costly by the Athletic Advisory committee at its meeting Friday.

According to Glenn "Tiny" Hartranft, head of the Physical Education department, and a member of the committee, the proposal

was dropped after the committee checked with a number of other colleges and found the plan too costly.

Board Selects Stanford for Homecoming

A tentative schedule for the 1954 homecoming celebration was released Friday by Homecoming Chairman Vern Perry, which calls for the traditional pre-game festivities, the bonfire rally, variety show and parade, to be held at SJS but with Stanford University the site for the homecoming game.

The schedule is as follows:

Coronation Ball will be held Saturday, Nov. 5, at the Civic auditorium.

The Variety Show will be held in Morris Dailey auditorium Nov. 10.

Bonfire and Homecoming Parade both will be held Nov. 12 at San Jose and Spartan Stadium.

Homecoming game, Nov. 13 at Stanford.

Perry emphasized that the schedule is only tentative, pending confirmation of reservations for the Civic auditorium and Morris Dailey, and the approval of the personnel deans. He is "fairly sure" that this will be the final schedule.

This schedule was adopted Thursday by members of the Homecoming board, made up of students, alumni and Athletic department representatives. Representatives of the Merchants Assn.,

Sixth Army Officers Inspect ROTC Cadets on New Field

Cadets of the ROTC unit at San Jose State College were set through the paces of drill and military knowledge Friday during the annual inspection put on by a Sixth Army inspection team led by Col. V. R. Smith.

The cadets inaugurated the use of the new drill field at 7th and San Fernando Sts. to perform before the visiting dignitaries.

The Sixth Army team arrived Friday morning to inspect the facilities of the ROTC unit. The group divided into three sections to inspect the supplies, equipment, teaching facilities and the Spartan rifle range. Interviews also were held with the cadre and some of the cadets.

After the general inspection the group had lunch with the officers of the ROTC.

Let's Get Rid of 'Clinkers'!

We would like to know why the college administration deems it necessary to take disciplinary action against the students over 21 who were involved in the beer party episode at Rio Del Mar last weekend.

No one will deny that the arrest of 35 minors for violation of the state liquor laws places the college in an unfavorable light, and since each student acts as a representative of the school, the punishment of the lawbreakers does not seem unjust.

In a statement issued Thursday, however, the administration said that regardless of the civil offense, the minors AND OTHER STUDENTS in attendance at the party violated the college regulations regarding student behavior.

In our estimation, this is the clinker! Those students who were over 21 were released by the authorities—they were charged with nothing! If the law does not think that their behavior was flagrant enough to hold them, how does the administration come to the conclusion that their behavior justifies punitive measures by the college?

We won't attempt to read the minds of the students and come up with a list of their intentions for that particular evening, but the fact remains that people should be judged by actions, not intentions.

Blurb Reveals Tales of Woe

This sad tale of a Minnesota lady who fell in the lake was clipped this week by Miss Norene Golden, Dr. Carl D. Duncan's secretary, from a blurb for a new book called "Up From the Ape."

She displayed it on the bulletin board, thinking it especially appropriate for any professors of Paleontology who might happen by.

To be sung with gusto, to the tune of "Clementine."

On a lake shore, near a glacier, In a Minnesota clime, Dwelt a Pleistocene old-timer And his daughter, Clementine.

Chorus— Oh my darling, oh my darling, Minnesota Clementine, Parts of you are lost forever, Dreadful sorry, Clementine.

Oh her teeth were big as tombstones And her nose was platyrhine, Mighty spacious and prognathous Were the jaws of Clementine.

Drove she mammoths to the water Every morning just at nine, Stubbed her toe upon an esker, Fell into the freezing brine.

Frosh Swimmers Sink Preps, 68-7

Coach Charles Walker's freshman swimming team wound up its season last week with a smashing 68 to 7 victory over Fremont High School to end up with a 10 win 1 loss record and one of its best seasons in history.

Led by such standout swimmers as Rollo Koivisto, Art Lambert, Chuck White and Jim Anderson, the Frosh romped to triumphs over the University of California freshmen, Sacramento Junior College, Menlo Junior College, Bellarmine Prep, Lincoln High School, Willow Glen High School, Santa Clara High School, St. Ignatius High School, Campbell High School and Fremont.

Board Tentatively Selects Stanford

(Continued from Page 1)

Spartan and the Chamber of Commerce also attended the meeting.

The Nov. 13 Stanford game was decided on after discussion dismissed both the Utah State and the New Mexico games.

Discussion then centered on the Fresno game, with the following opinions presented.

Peg Major, alumni representative, stated that "the alumni always prefer a Saturday game, since most of them work Friday and have to travel long distances." It was pointed out that the alumni schedule calls for a reunion and dance for the evening following the afternoon game. If a night game was held it would practically cancel the alumni activities.

Cliff Furlow, representing the Merchants Assn., voiced the merchants' objection to the Friday game, saying that the association would not approve of the parade being held Thursday night since almost all the downtown stores are open Thursday evenings.

Perry said Friday that the Merchants Assn. must approve all requests for any downtown parade which would eliminate the possibility of it being held on Thursday.

Emerson (Doc) Arends was the lone voice against the Stanford game. He represented the Spartan club.

Perry revealed that plans for the game include a halftime devoted to SJS celebration and the possibility that the parade floats may be taken up the Peninsula and driven around the field.

Bill Hubbard, representing the Athletic department, said that the department was in favor of the Stanford game and "saw no reason why it wouldn't work." He expressed the opinion that it would improve relations with the northern school.

The Natural Science department in Autumn quarter has 233 men and 98 women majoring in the Sciences.

Dulles disclosed during his brief Paris visit this week he intends to turn over U.S. reins at the conference on Korean and Indo-Chinese peace to Undersecretary of State Walter Bedell Smith, sources said.

GONE BUT NOT FORGOTTEN

With the roster of gridgers released we saw a couple of deletions that surprised us so we asked about them. It seems that Sam Dawson and Jerry Taylor, both fullbacks, have dropped out of school. Sam has signed a professional baseball contract. Jerry is married and his family has put him to work.

COMING BACK

Reese Dick, who has been on the injured list because of calcium deposits in one leg, chucked the last inning of the game with Alameda this week. This is the first pitching Reese has done for some time and he was a little wild. If he gets in shape the Spartan nine will have a trio of top-notch flingers. Johnny Oldham and Doug Boehner are the other two.

ANYBODY FOR JUDO?

Judo Coach Yosh Uchida is reported looking for a tune-up match for his team to get ready for the Pacific Amateur Athletic Union Championships which we heard will be held in San Francisco on April 25. A possibility, we understand, is a company of MPs from the Presidio of San Francisco. What a way to get even with a guy you hated in the service!

VOLUNTEER TRACKMAN

George Wulfstange, two-miler on Coach Bob McMullen's Frosh squad, volunteered to run in the event with his coach, Don Hubbard of the Varsity, and a host of other luminaries. The experience did him good. Other freshmen participating in the Stanford All-Comeers meet were Billy Jo Wright, Joe Mears, Chuck Hightower, George Warriner, Don Armstrong and Larry Collier.

THE POWER OF A VOICE

Hermi Jimenez literally talked her way into this column and if you ever heard her voice you know how. Anyway she and Doloris Mathias and other persons connected with World University Service have decided to set the game of basketball back a hundred years. They've recruited, for one team in the Friday night exhibition, "Gorgeous" George Bruntz, professor of history and political science; "Eager" Edward Shaw, associate professor of economics; "Rambling" Rocco Pisano, assistant professor of biology; "Mighty" Mel Wright, professor of business; "Peerless" Paul Eckert, assistant professor of economics.

Did we forget to tell you that this is a coeducational game? On the other team are "Dandy" Dolores Spurgeon, assistant professor of journalism; "Heavenly" Helen Wallace, of the Health department; "Marvelous" Marian Moreland, assistant professor of art; "Faultless" Frances Robinson, assistant professor of music; "Alert" Alice Dement, assistant professor of psychology; and "Perfect" Patsy O'Donnell, instructor in mathematics.

Umpiring the hassle will be "Booming" Boris Gregory, professor of modern languages. We hear all fouls are going to be called in the language of Afghanistan.

IT'S ALL A MATTER OF TASTE

A man who smokes a Lucky Strike
is really on the ball.
So round, so firm, so fully packed—
The cigarette for all!

Bob Vickery, Jr.
University of Missouri

When you come right down to it, you smoke for one simple reason...enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco...light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better...always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

Just trying every brand,
Until I smoked some Lucky Strikes
And found they tasted grand!

Faculty Actors Assume Pseudonyms in 'Frolics'

Five of the 30 faculty members cast in the "Faculty Frolics" Friday night will be acting under assumed names.

Reason for this, states Hermi Jimenez, student co-director of the show, is that they wanted names which would be appropriate for their roles.

The skit is a can-can dance by five men faculty members dressed in proper attire.

Cast of "characters" is Dr. Richard W. "Dickie" Kilby, Dr. George A. "Georgie" McCallum, Dr. H. Robert "Roberta" Patterson, Byron "Byronica" Bollinger and Victor C. "Victoria" Jansen.

All proceeds will be given to the World University Service, stated Sophomore President Don Fletcher.

Tickets can be purchased in the Graduate Manager's office and from a booth under the Library Arch, where the Spartan Spears are handling sales.

Better than One

TAMPICO, Mex. (UP)—A 7-months old calf with a head and a half that eats simultaneously with its two mouths was the center of attraction Friday for Tampico cattlemen. It weighs 33 pounds.

Besides the spart mouth and extra half head, the calf has three horns and three eyes, one in the center and two on the sides.
